

ST. JUDE PARISH MEN'S CLUB 2011-2012

www.stjudemensclub.org

The St. Jude Parish Men's Club invites you to get involved.

The mission of the St. Jude Men's Club is to aid and support St. Jude the Apostle Parish and all of its ministries in whatever capacities we can, all while having fun and Christian fellowship.

All fathers of St. Jude School students as well as any male parish members who are at least 21 years old are eligible to join. We encourage you to consider membership as a way to meet other parents while serving both the parish and school. This is an opportunity for you to get involved.

We look forward to seeing you at the meetings.
