

St. Jude Athletic Uniforms Care Instructions

Athletic uniforms are issued at the beginning of each season and will be returned to St. Jude Athletics Department immediately after the season is over and the team picture has been taken.

All uniforms must be properly handled while washing so uniforms will last for several years.

- Do not use detergent with bleach**
- Follow washing instructions on labels**
- Wash uniforms inside out**
- Hand-dry uniforms**

Note that uniforms should NOT be placed in a dryer.

Do not alter the appearance of the uniform. If it does not fit properly, it will be swapped out. Any alterations without consent of the St. Jude Athletics Director (Mickey Guidry) will result in paying full price for the replacement. You will also be fully responsible for the replacement cost of any uniform lost, misplaced or damaged from improper care.

I have read and will follow the care and washing instructions above. I understand that I will be responsible for paying replacement costs if lost, misplaced or damaged from improper care.
